## Board Of Trade Does Good Work

The annual general meeting and banquet of the North Saanich Board of Trade was held in Wesley Hall Tuesday evening last week, when the guests included His Worship the Mayor of Vancouver, G. G. McGeer, K.C., M.L.A.; His Worship the Mayor of Victoria, David Leeming, and the mayor of Ladysmith, Mr. Walkem.

Both the Mayor of Vancouver and the Mayor of Victoria delivered inspiring addresses, and were very well received. The Mayor of Ladysmith extended the good wishes of his city to North Saanich, and spoke of the need for increasing co-operation between island communities.

The retiring president of the board gave a complete report of the year's activities of the board, and made an earnest plea for a return to a more truly Christian standard in private and public life.

Covering the work of the board during the last year, Mr. Hollands referred to the discussion and action of the board with reference to the Minimum Wage Act, the Natural Products Marketing Act, regulation of the Game Act, the endeavor to get a public building for customs and post office in Sidney, and the board's co-operation with the Associated Boards of Trade of Vancouver Island. He spoke of the radio programs given under the auspices of the board as publicity for the district, and thanked those who helped to make these a success. Mr. Hollands referred also to the successful water gala held at Deep Cove during last August, and thanked particularly Mr. Baker, through whose efforts mainly this gala was carried to success. The president also referred to the public meeting on the water question which was held by the board, and of the work which the board has undertaken to carry on with this project.

Mr. Hollands was re-elected president for the ensuing year, as were also Major A. D. Macdonald as vice-president, D. Sparling as secretary, and the complete council slate was also re-elected.

Discussion in the matter of a proposed road to connect Swartz Bay and Deep Cove round the northern coast of the peninsula resulted in the decision to take any action that may encourage the early building of such a road by the Provincial Government.

The land belonging to the Canadian National Railways at the waterfront at Sidney is to be leased by the board for picnic grounds this year.

The board endorsed a resolution of the Canadian Legion calling on the government to accept war veterans as eligible for pension at 50 years instead of 60 as at present under the War Veterans' Allowance Act.

The board endorsed the principle of national control of radio broadcasting and directed that appreciation of the Commission's programs should be extended to the Commissioner.

The matter of telephone rates was again discussed and a committee was formed to take this matter up.

## LOCAL COUPLE UNITED IN MARRIAGE

A quiet wedding was solemnized at Holy Trinity Church, Patricia Bay, on Friday afternoon at 12:30 o'clock, when Katrina Norah, younger daughter of Mrs. I. Lorenzen, Patricia Bay, was united in marriage to Mr. Frederick Walter Sparks, younger son of the late Major J. R. Sparks, "Ledgecoats," Deep Cove, Rev. T. M. Hughes officiating.

The bride, who was given in marriage by her brother, Mr. J. Lorenzen, looked smart in a tailored suit of Oxford grey with matching hat and shoes and wearing a corsage bouquet of fuchsias and roses. Her only attendant was her sister, Miss Anne Lorenzen, gowned in suit of brown and wearing a corsage of carnations and sweet peas.

Mr. Ralph Sparks, brother of the groom, acted as best man, and the wedding music was played by Miss Addalene Adair.

The church had been very tastefully decorated with Japanese plum blossoms and daffodils by Mrs. E. I. Jones, previous to the occasion.

The young couple left on the afternoon boat for Seattle where the honeymoon was spent, returning they have taken up residence at Deep Cove.

The party was beautifully decorated with white streamers and a large white bell hung over the table where the presents were placed, the Misses Lauretta Emery and Phillis Oberg having brought them in in a large clothes basket, besides many which were placed around it. ## HELP WITH ATHLETICS IN NO. SAANICH

With the object of boosting their work of athletics in the district of North Saanich the boys' athletic wing of the North Saanich Service Club is sponsoring a program of quality and variety to be presented in the club hall next Tuesday evening, March 26th.

The committee in charge has put forth every effort to make this night one of the biggest and best ever to be witnessed in this district and the highlights of the program listed below are ample assurance of that fact.

**PROGRAM**  
A brand new set of motion pictures to be put on by the B.C. Forest Branch. These pictures, which will provide an hour's enjoyment, have just arrived from the east and have never been shown before, so in themselves they will without doubt be a great attraction.

An hour's fun and mystery with Frank Merryfield, the "Cornish Wizard."

And finally, but of equal importance, a grand "Gym Display" in which the boys of the wing will feature some of the fines of activity and health-building items that go to make up their programs from week to week.

The boys are out to make this a big night and ask you to show your interest by your presence on Tuesday next. Tickets are now on sale—you are invited to secure one now, and if not one, two!

The meeting commences at 8 o'clock and the members will be glad to see you present.

## Local Notes and Personals

Friends of Mr. C. Tapping, Patricia Bay, will be pleased to hear that he is progressing favorably after an operation this week. He is a patient at Rest Haven.

The North Saanich Welfare Society met for its regular meeting last week when reports on the past month's work were heard. Members are reminded that the annual meeting will be held in April.

Mr. J. Ardall of the local branch of the Bank of Montreal spent the weekend at his home in Victoria.

The spacious lounge at Rest Haven was the scene of an interesting illustrated lecture on Saturday evening when pictures were shown on Dr. Grenfell's work carried out in Labrador. Quite a number of visitors gathered for the occasion.

## More Gifts For The Boulevards

The town planning committee of the Sidney Businessmen's Association has received an offer of 1,000 bulbs for the boulevard on Beacon Avenue from Arrowsmith & Son, Bazan Bay Road, bulb growers. The committee also has an offer of shrubs and flowers from Jack Bosher, Third Street, Sidney, rock garden expert. The committee desires to thank these gentlemen for their very generous gifts and is getting help to assist with the planting when it is convenient for the gifts to be delivered.

The committee, G. A. Cochran (chairman), John Lind and J. P. Simister, with the valuable assistance and advice of E. M. Straight, superintendent of the Experimental Station, is to be congratulated on the keen interest being taken in beautifying the town. Work is proceeding apace, scores of shrubs and trees have already been planted through the co-operation of the Public Works Department under the supervision of Wm. Munro, and Mr. Straight, who is personally overseeing the planting.

The boulevards are being put into shape for grass-seed and a number of citizens have intimated that they wish to contribute towards the purchase of same. The seed will cost a tidy little sum and any local citizen feeling the urge to help this good work along may send their contributions to the Review or any members of the committee.

The care of the boulevards after they are put in shape will be something to consider and suggestions of citizens are in order. Possibly the Horticultural Society will co-operate?

## R.O.P. Certificate

"Waikiki St. Saviour's Morocco," a three-year-old cow owned by Miss Moses, "Hazelmeare Jersey Farm," Deep Cove, has just qualified for the R.O.P. certificate with 7,999 lbs. milk and 419 lbs. butterfat.

This is the first of a herd bought by Miss Moses from Mr. Dumvill of "Lindell Farm," Sardis, imported from the "Waikiki Farm," U.S.

## MANY TAKE PART IN BANQUET

Byron "Boss" Johnson, M.L.A., interested a large gathering at the North Saanich Club Hall on Friday evening when two well known service clubs—the North Saanich and Gyro, of Victoria—joined in banquet, with Dr. W. Newton as chairman.

The speaker delivered a thought-provoking address on the subject of relations of Eastern and Western Canada, referring to the inequality existing under present conditions, stating that while B.C. had to sell her goods at world market prices yet Eastern Canada took full advantage of tariffs in selling to B.C., the result being that B.C. was paying tribute to the east amounting to millions of dollars annually. Until such time as this policy was altered he could see no prospects of improvements for B.C. "We are buying too dear and selling too cheap," said Mr. Johnson, "and this cannot go on indefinitely without disastrous results." Mr. Johnson stated that B.C. bought over \$80,000,000 annually from Eastern Canada, paying a heavy tribute in the form of protection through various tariffs, whereas the east purchased only \$5,000,000 worth of goods annually from B.C., and that at world market prices. Mr. Johnson requested his audience to give serious consideration to this pressing problem.

The program of entertainment, which followed, was put on by members of the Victoria club with Mrs. F. W. Hawes and Mrs. Stanley Moore supplying vocal numbers, accompanied at the piano by Mrs. J. Cameron, and community singing led by W. C. Hudson. The toast to the visitors, proposed by the chairman, was responded to by Leonard Woodhouse, president of the Gyro Club. The evening closed with several hours of dancing in which the large crowd entered with enthusiasm.

Those in charge of the banquet wish to acknowledge with thanks donations received from the following local firms: Sidney Trading Co., Hollands Meat Market, Sidney Bakery, Silvergrey Bakery, Cowell's Meat Market, Bazan Bay Cash Store and Patricia Bay Store.

They also wish to thank the ladies for assisting with supper and the large band of girls for serving and helping with decorations.

## LIBRARIAN SPEAKS TO GATHERING

A most lucid and illuminating lecture was given last Wednesday evening before the men's supper meeting by Dr. A. K. Lamb, provincial librarian, entitled "France, Friend or Foe?"

Introducing his subject Dr. Lamb gave scintillating survey of the individual type of citizen and their reaction to common situations in life. This proved most humorous and entertaining, coming as it did from personal experiences of the lecturer. With this revelation it was easy to follow an appreciation of the political genius of the French system, which may be said to be almost individualistic rather than partisan as obtains in our own constitution.

The speaker intimated that the mental attitudes which are very logical, almost bereft of humor or extenuation is largely responsible for the lone position which France seems to assume on so many questions. Whether she is friend or foe is still to be determined by the angle from which we judge her, her angle or our own. Many interesting questions were raised but the speaker proved quite erudite and gave a flood of information and judgment from a ready source.

G. A. Cochran thanked the speaker in a neat speech to which the very large crowd responded.

At the next meeting the Rev. Robert Connell is expected to be the speaker, when his subject will be "The Geological History of the Saanich Peninsula."

### A LOCAL SOFTBALL LEAGUE

With the object of forming a local softball league for this coming season a meeting of representatives will take place in the Review office Thursday evening, March 21st, at 8:30 p.m., when delegates from the 16th Scottish of Salt Spring Island, the 16th Scottish of the district of North Saanich, North Saanich Service Club, Lucky Lindies, Keating, West Saanich Indians, and James Island will meet Ernie Stocks, of Victoria, the veteran president of city softball, to officially and legally organize in a manner that will allow the winners of the local league in the playoffs at the end of the season. With James Island entering two teams it is expected that the league will have eight teams in play.

Softball has come to the front in no uncertain way during the past few years, so much so that scores of teams are now looking to the opening of the season on Vancouver Island alone. The introduction of a local league should build up a friendship on the Saanich Peninsula and Gulf Islands that will be to the mutual advantage of all concerned. Let us encourage good, healthy sport for the youth of this area.

Many inquiries are coming through from Eastern Canada regarding the Saanich Peninsula and Gulf Islands.

### A FIXED EASTER

With the Lenten season upon us, and the approach of Easter, the question of a fixed date for this festival recurs, and it might be well to review the facts concerning the present placing of this feast.

Primarily Easter is a church festival, but like a good many other church occasions, it has acquired a secular significance. By general agreement all Creeds acknowledge Easter Day fell upon a Sunday, but for centuries, owing to differences in Calendars, much confusion arose as to which Sunday should be observed.

The rule adopted by the Western church, and which we follow, is that Easter Sunday shall be the Sunday immediately following the Paschal full moon, which is the full moon which occurs on or after March 21.

In case a full moon should fall on a Saturday, March 21, then Easter Day is March 22. This is the earliest possible date for Easter. But should there be a full moon on a Monday, March 20, the Paschal full moon does not occur until four weeks later, April 17, and Easter Sunday would be April 23. This is the latest date possible.

As, besides the church calendar, a good many everyday events are ordered by the date of Easter, such a spread does not seem altogether desirable.

There can be no objection from the church standpoint. As Easter is a movable feast, the day cannot possibly commemorate the actual resurrection of Jesus Christ, and the spiritual value of Lent and the fuller realization of Life and Death taught by the story of Easter, can have just as much significance over a fixed period as under the present arrangement.—Comox District Free Press.

## CONSERVATIVE PLANS BEING FORMULATED

At a meeting of the North Saanich Conservative Association, held in the Guide and Scout Hall on Monday, March 18th, it was unanimously agreed to support the effort being made to incorporate in the reform measures advocated by the present government "That the first reform should be a drastic reduction of the governing body and the excessive cost of administration."

The meeting was addressed by Mr. Wootton, vice-president of the B.C. Conservative Association, who in a very able speech explained the steps being taken by that body towards organization for the coming election and for the formation of young people's Conservative Associations throughout the Dominion.

Mr. Wootton also gave a clear resume of Prime Minister Bennett's efforts during his four years of government and a very interesting explanation of the reform measures now being placed upon the statute book during the present session of the House of Commons.

A very warm vote of thanks was extended to Mr. Wootton for his address.

## "It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

**WAR VETERANS' ALLOWANCE ACT**

At the last meeting of the Branch, Feb. 21st, a resolution was adopted favoring the reduction of the qualifying age for the war veterans' allowance, from 60 to 50 years of age. Copies of this resolution, with letters received from the Saanich Board of Trade and North Saanich Board of Trade, endorsing this resolution, have been mailed to C. H. Dickie, federal member for the constituency, with a request that he take action in supporting the resolution.

**LEGION NOTES**

By Robert Macnicol

This week it is my intention to deal with the report of the minister of pensions and national health covering the War Veterans' Allowance Act for the year ending March, 1934.

A total of 5,837 ex-service people are receiving allowances under this legislation. Under 60 there are 1,793, and over 60 there are 4,044. The total cost was \$1,810,939. The maximum payment for a married man is \$40 per month and for a single veteran \$20 monthly. I have not all the information available at this time, but it would appear that on the average the recipients of this allowance receive about \$50 per

year less than the maximum permitted by the legislation.

This means that instead of costing \$2,140,320 in allowances for the year ending March 31, 1934, the cost was \$1,810,939, a saving of \$329,381. Particular attention should be paid to this statement as I intend to refer to it when discussing the remarks of the minister of pensions and national health that it would cost about \$7,500,000 if the qualifying age were reduced from 60 to 50, as requested by the Canadian Legion.

Day after day we hear the complaint that nothing is being done to improve the situation whereby our younger generation may take its proper place in the business and industrial life of Canada, and the criticism is justified. Until some arrangement is made whereby the unemployed older type of men are taken off the competitive labor market, then our young people can expect little in the way of employment. It should be remembered that the youth of 16 at the end of the Great War is now 32 and that naturally he expects a fair share of employment.

It is generally admitted that the unemployed men of today who are over 50 have little chance of obtaining remunerative employment. The unemployment insurance scheme proposed by the Federal Government will not take care of those who are now out of work.

We can not stand still but must go forward or go back. Progressive legislation does not always help our older people, that is insofar as employment is concerned. The minimum wage and superannuation legislation makes it impossible in many cases for older men to be employed, and there are suitable positions that could be filled by veterans but they are debarred owing to age, etc. If we must have legislation covering superannuation and minimum wages, etc.—and I believe it is very necessary—then surely to goodness we ought to take care of those who are hurt by such legislation.

It is to be regretted that the efforts to arrange for a better arrangement for registering men in unemployed camps did not meet with success, the motion being "talked out" at a recent session of Parliament. The legion took up this matter some time ago.
